

Product Evaluation

WIN2030 | 0915

Engineering Services Program

The following product has been evaluated for compliance with the wind loads specified in the International Residential Code (IRC) and the International Building Code (IBC).

This product evaluation is not an endorsement of this product or a recommendation that this product be used. The Texas Department of Insurance has not authorized the use of any information contained in the product evaluation for advertising, or other commercial or promotional purpose.

This product evaluation is intended for use by those individuals who are following the design wind load criteria in Chapter 3 of the IRC and Section 1609 of the IBC. The design loads determined for the building or structure shall not exceed the design load rating specified for the products shown in the limitations section of this product evaluation. This product evaluation does not relieve a Texas licensed engineer of his responsibilities as outlined in the Texas Insurance Code, the Texas Administrative Code, and the Texas Engineering Practice Act.

For more information, contact TDI Engineering Services Program at (800) 248-6032.

Evaluation ID: WIN-2030

Effective Date: September 1, 2015

Re-evaluation Date: January 2018

Product Name: 1450S Aluminum Fixed Window, New or Replacement Construction, Non-Impact Resistant

Manufacturer: Winco Window Company
6200 Maple Avenue
St. Louis, MO 63130
(314) 725-8088

General Description:

System	Description	Label Rating	Design Pressure Rating
1	1450S Aluminum Fixed Window	AW-PG80 60 x 99-FW	±80 psf

Product Dimensions:

System	Overall Size
1	60" x 99"

Product Identification (Certification Label on Window):

System		
1	Certification Agency	AAMA
	Manufacturer's Name or Code Name	WWC-1
	Product Name	Winco
